Bournemouth University is an eduroam member institution which enables students, researchers, and staff from other participating institutions to obtain internet access when visiting the university's site.

If you are visiting from an eduroam participating institution the Wi-Fi should be available to you. If you do not have access to the service or if this does not happen please follow the steps below.

If you are a visiting Bournemouth University and are not from a participating institution you will need to connect to the network. Please follow the steps below.

● **CONNECT.** Open the Wi-Fi settings on your device and select the available network list.

● **LOGIN.** When prompted enter your institutions' username and password.

Include your institution's domain.

● **Click Join / Connect.**

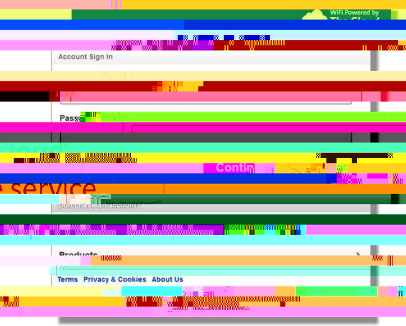

● **START BROWSING.** Once you are connected you will be able to browse the internet.

● **CONNECT.** Open the Wi-Fi settings on your device and select the available network list.

● **LOGIN.** When prompted enter your institutions' username and password.

● **START BROWSING.** Once you are connected you will be able to browse the internet. To do this you will need to register for the service. You will be prompted to create an account. Please provide your email address, first name, last name, and password.

**SUPPORT:** If you have any issues connecting please contact the IT Service Desk on 01202 961551.
